

FARM TO SCHOOL

OUR GOALS

Grow healthy kids, and support healthy farms and communities:

- Increasing the variety and availability of healthy, regionally sourced foods in schools and pre-schools
- Creating new markets for regional food producers
- Teaching children about where food comes from and how it is grown

Did you know? Ecotrust provides support for Farm to School efforts in Alaska, California, Hawaii, Idaho, Montana, Nevada, Oregon, and Washington

OUR WORK

National

- Co-lead a national Farm to Preschool initiative (farmtopreschool.org)

Regional

- Lead Agency for the eight-state western region of the National Farm to School Network
- Connect schools with local farmers and food producers via the online marketplace FoodHub (www.food-hub.org)
- Match low-income school districts with small, medium, and minority owned farms and food producers

State

- Lead the Oregon Farm to Preschool Coalition
- Founding member of the Oregon Farm to School and School Garden Network
- Advocate for legislation to support better school food
